### Personal Summary

I'm a motivated individual embarking on a career transition into software development. Currently pursuing a Level 5 Diploma in Web Application Development. My passion for coding and eagerness to learn drive me towards a fulfilling career in tech. With a strong foundation in HTML, CSS, JavaScript, and Python, I am rapidly expanding my skillset to include frameworks like Django and Flask. My recent projects showcase my ability to deliver user-centric, interactive, and data-driven applications. My background in customer service and leadership positions have honed my communication skills, attention to detail, and problem-solving abilities.

### Technical Skills

C++	C#
HTML	CSS
JavaScript	Python
SQL	PostgreSQL
SQLAlchemy	Flask
bootstrap	git
github	jQuery
Jest	Materialize
Django	AWS
Stripe	Heroku
